ASMC is not included in the prior handbook and really is a separate thing from a committee. But... The Associated Students organization assumes the powers and responsibilities of governance of the student body, as delegated by the President of the College and the Board of Trustees. The ASMC works to ensure the rights of students are protected and there is student representation in all areas of the college. It also works to promote and guide student activities to stimulate the intellectual, physical, and social life of the college.
